**Saturday 3<sup>rd</sup> October 2009**

**Door open 7 for 7.30pm**

## ***“An Audience with Paul Daniels”***

*Paul Daniels is one of the most successful magicians of the 20th century. He made worldwide headlines with his top rated television shows, extensive live performances and huge success acquired through magic. After many years as a television celebrity, Paul created an autobiographical touring show that features his favourite magic combined with question and answer sessions with the audience, and has successfully taken his show to the Edinburgh Fringe Festival getting rave reviews.*

We are very fortunate that Paul has agreed to take his show to the TCC this evening. And together with the TCC we are raising money for the 'Friends Of St James' (FOSJ) a Grade II listed building in need of much Conservation. St James' was 170 years old this year in May and sadly parts of the building are showing their age through 'wear and tear'. We have setup the FOSJ with the purpose to raise £250,000, our current estimate of the money needed for the conservation work required. This evening we are delighted that Paul can be with us to KO and raise the profile of our fundraising. We have a lot of money to raise but we are determined to do this and to have great fun as we do. So it is with great pleasure we welcome Paul Daniels tonight to the TCC and we are convinced that all who can get tickets will have a great evening.

*Tickets are £15 each and £20 if you wish to sit in the first 2 rows with unhinder views and perhaps the chance for audience participation!*

TICKETS available by email from [rob.cobley@touchwoodonline.com](mailto:rob.cobley@touchwoodonline.com)
