OPERA

I am sure that everyone who 'packed' into the TCC to see H.M.S Pinafore in May were not disappointed! The feed-back is that the students from Warwick University Opera were even better than they were in last year's The Sorcerer!

A truly excellent performance by the youngsters and for their next visit, and we certainly want them back again, we will try and ensure that the doors open on time and also the bar!!

Wednesday 20th May - ANNUAL GENERAL MEETING

Heard about the TCC Past, Present and Future...?

Wine and Nibbles were available after the short AGM meeting and thanks for this to the committee!

Following our AGM on 14 May we now have just one vacancy on the TCC Management Committee - please let Rob or any Committee member know if you are interested in joining the committee or would like to discuss further. We are currently just 2 women and 7 men and an additional lady would be most welcome!

Perhaps it is now time for You to take this opportunity of becoming involved with the exciting events that take place at the TCC and to influence the future of the TCC.

For further information on what the role and responsibilities of being on the Management Committee are please contact Rob Cobby, Chair rob.cobby@touchwoodonline.com

EVENTS

A TRIO of Events to help the TCC raise £1,000 towards a Hearing Loop for the hard of hearing ended with a great performance by the *Stratford Concert Band* at the first Concert under their new name (previously they were known as the Stratford Wind Band). And it seemed to work well for them as overheard was a comment from a regular that this was the best he had heard them perform! And they certainly played some very popular music for all ages this was especially highlighted when Musical Director *Jonathan Earle* was announcing "Chariots Of Fire" and the youngest member of the audience, a three year old girl sitting in the front row, proclaimed "I love that Music!" and she proceeded to enthusiastically help Jonathan to conduct the band! It is always difficult to pick out individual performances from such an excellent concert. However the star performance must go to *Lindsay Martin*, a sole flautist when playing the *Theme from Schindler's List* which she did magnificently. The buzz at the TCC was great and our thanks go to the whole Stratford Concert Band and Jonathan for superbly entertaining us and we look forward to welcoming you back again soon.

"And a SILVER AWARD goes to the *Gloucestershire Youth Brass Band!*"

That must have been music to the ears of the 37 teenagers who performed an excellent lunch-time concert at the TCC this month. And it was their just reward after 3 days of practice at the TCC before taking part in the National Youth Brass Band Competition in Manchester the day after performing for us. It was so reassuring to see these youngsters working and playing together so well. They were a credit to the Musical Director and Conductor *Steve Legge* and we thank them all for entertaining us so well and we look forward to welcoming them back in the future and thank them for helping us to raise money for our hearing loop with their Concert.

TARANTARA

A packed TCC were treated to a tremendous performance by the 35 person Choir *Tarantara* recently. Under the leadership of Music Director Jonathan Hill and accompanied by Pianist Chris Long the whole Choir sang brilliantly.

The programme was varied and lively and special mention must be made to *Pokare Kare*, *the Barber Shop four* and *Paula* singing *She walks thro' the Fair* although it is perhaps unfair to single out these as everyone was so very good. This was an evening that brought the TCC alive and the first of three Concerts to raise £1,000 towards our Loop System for the heard of hearing.

Well done Tarantara!
